The Wood County Fair.

En. Journal: In consequence of the State Fair being held in Toledo this Fall, there has been some doubts as by the expediency of holding a County Fair this Fall, as usual; but after mature deliberation, convected with a strong desire to carry out previous arrangements, it has been determined by the Managers to have a Pair, and to spare no efforts to make it a success. The grounds will be surrounded by a good board fence, suitable buildings erected, good water provided, large premiums offered, and all that can be done will be done to make it pleasant and profitable. By thus doing, we hope to have the hearty co-operation of all our friends throughout the county. Notice of the time of the Fair, premium lists, posters, etc., will be circulated accordingly.
